

# MESSAGE FROM YOUR MUSE:

*Your Sacred Permission Slip*

## TO WRITE YOUR BOOK, *Shine Your Light & Transform Lives*

*You have a voice like no other.*

*You are meant to find it, speak it, share it...and with that, share your wisdom, your life experience.*

*You...are meant to write your book.*

*Nothing can hold you back without your permission.*

*Everything is here to support you  
...when you let go & receive.*

*Step into the circle of support—your guides, friends, loved ones & future readers surround you in love and gratitude. They invite you to join them, allowing yourself to accept their loving embrace and guidance.*

*In this circle of love,  
you receive:*

*Clarity of Vision. Wisdom.*

*Ease & Grace . Beauty. The Teachings.*

*Trust the words to flow, the guidance to come in whatever form it takes—a book, a person, a class, a program, an inner voice. The right guides will show up at the perfect time. You will know when it's right. Everything you need is waiting for you...prepared...ready..for you to say "yes."*

*Start here:*

*Set aside the time. Keep it sacred.*

*Be grateful. Trust. Write.*

*When more is needed, you will know.  
With Love, Your Muse (and Lisa)*
